22 May 2018

Dear Parents and Carers

PTFA EVENT ADVERTISING AND GDPR

The new General Data Protection Regulation (GDPR) is a European Law which comes in to effect on 25th May 2018. Part of GDPR means changes to how we and the school contact parents.

The school are working hard to try and enable parents to be able to opt in and opt out of marketing emails, however at present the system only allows an opt in to all or opt out of all - so if you opt out, you'll no longer receive **any** emails (even those which are purely about school will not be able to be sent). Until the IT catches up with the new GDPR requirement, we will unfortunately no longer be able to send emails regarding dates of forthcoming PTFA events and where and how to purchase tickets - such as discos, summer fayre and winter wonderland.

Until a solution is found to allow you to opt in and out effectively, we will be doing our best to make sure parents and carers are informed of all the exciting things which are happening.

There are 3 ways in which we'll keep you informed....

Firstly, we will be setting up a CLOSED Facebook page, in which you will have to opt in to gain information. Once the page is up and running, we will send details of where to find us!

Secondly, we have a PTFA page on the school website where upcoming events will be publicised – visit <http://www.littleport.cambs.sch.uk/ptfa/>.

And finally – keep an eye out for posters in noticeboards and school windows as we are still able to display these.

We look forward to welcoming you to our new Facebook page and seeing all of you at our upcoming events!

Kind regards

Rachel Dray
On behalf of LCPS PTFA
