

LITTLEPORT AND EAST CAMBS ACADEMY

An Active Learning Trust School

17th January 2017

Dear Parents / Carers

My name is Scott Gaskins and I am the newly appointed Head of Littleport and East Cambridgeshire Academy. Currently I am Vice Principal at Neale-Wade Academy in March and I am writing to inform you of some exciting events we are holding for Littleport Year 6 students over the coming months.

On **Thursday 2nd February**, students from both of the Littleport primary schools will be transported over to Neale Wade Academy for a morning of Science discovery. Our plan is to deliver tasks that will enhance their knowledge and understanding of Science in Year 6 and to give them a taster of what Science lessons will be like at secondary school. I am sure your child will have a fantastic experience and it will also be the first time I will meet the students as a group.

In a couple of weeks, the new school uniform will be on display in both of the primaries and the webshop where you can view and purchase the uniform will be on Total Clothing's website. For fittings, we will be operating a 'pop-up shop' in the Summer Term so can ensure your child is correctly fitted for the new academic year. I'm sure you will like the uniform and the students will wear it with pride.

Also, later in the term I will visit the Littleport primary schools to meet the students and spend some time getting to know them. In the meantime, I would like to invite you as parents and carers to help me create a Parent Forum. I intend to meet with a group of parents from both primaries once a month, in Littleport, to gather your views, ideas and questions so I can also get to know you and hopefully alleviate any concerns you have. I will only have space for 20 parents so if you are interested I will allocate you a place in the Forum on a first come, first served basis. I am really keen to hear your views and would like a cross section of parents from both primary schools. The first meeting will be on **Wednesday January 25th** in the Church Room at St George's and my contact details are below if you would like to join. May I also point you towards my weekly blog which appears on the new LECA website which highlights all of the work happening behind the scenes and you can also comment if you wish. The website address is <http://lecacademy.org/> and the links to my blogs are at the bottom of the page.

Further events will be published in due course. I hope to meet you all very soon and look forward to meeting and working with your child over the course of the year and throughout their secondary career at Littleport and East Cambridgeshire Academy.

Scott Gaskins
