

Literacy

This half term we will be reading a range of texts that take us on a journey. From taking a train ride, to going on a bear hunt, we will be exploring the world around us through great texts such as:

- The Train Ride
- We're Going on a Bear Hunt
- We're Going on a Picnic!
- We're Going on a Lion Hunt

Phonics continues throughout the half term with both small group and individual sessions.

Understanding of the World

- Learning about different types of machines.
- Developing our understanding of maps both fictional (linking to texts) and of our local surroundings and area.
- Cultural celebrations – Chinese New Year
- Developing concepts – past and present

Expressive Art and Design

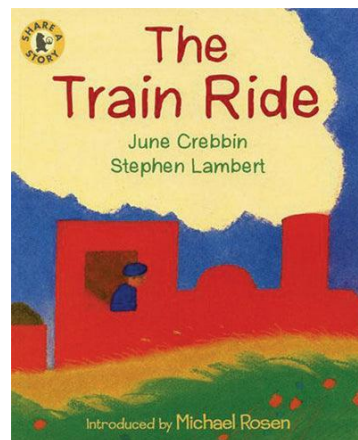

How can we use our imaginations?
We will be exploring using trains, cars and other journey-linked items to create patterns and artwork.

In music, we will be joining in with songs and using instruments to accompany this.

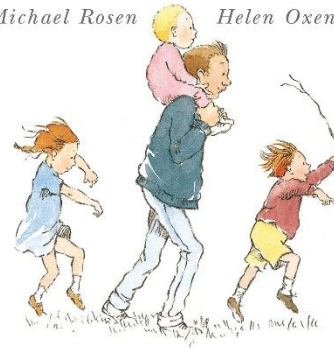

Personal, Social and Emotional Development

This is continuously supported through our various interventions.

We will be looking at further embedding personal hygiene habits and working on our table manners.

We're Going on a Bear Hunt

Communication and Interaction

This area of learning is weaved in to all aspects of Treehouse, from our morning greet, to learning through play to developing individual children's communication skills.

Maths

We continue to develop our understanding of number, counting skills and building our concepts of amounts.

This half term we will be extending our learning to areas of maths such as length, height and time.

Physical Development

Sensory Circuits start our day to set us up ready for learning.

This half term we will be taking part in football coaching sessions as well as continuing with our weekly forest school sessions.
