

Littleport Community Primary School
Science Long Term Plan
2025/2026

Science curriculum overview

	AUTUMN 1	AUTUMN 2	SPRING 1	SPRING 2	SUMMER 1	SUMMER 2
EYFS	EYFS Statutory Educational Programme for Understanding the World incorporates science. Science is taught in EYFS through: • Personal experiences such as outdoor play, visiting parks, nature reserves and the zoo to encourage children to describe what they see, hear and feel. • Having access to a broad selection of books that supporting scientific learning as well as songs and rhymes about the natural world. • Practical experiments such as melting and freezing materials. • Exploring the world activities for example planting sunflowers and finding out about different animals around the world. • Visiting forest school weekly for exploratory learning. • Opportunities for observational drawing.					
Y 1	Seasonal Changes	Animals, including humans – All about me	Exploring everyday Materials 1	Plants	Animals, including humans -All about animals	Exploring everyday materials 2
Y 2	Animals, including humans - Growth	Uses of everyday materials	Animals, including humans 2 – Life cycles	Living things and their habitats	Plants	Living things and their habitats – Habitats around the world
Y 3	Forces and Magnets	Scientific Enquiry	Light	Animals including humans	Rocks	Plants
Y 4	Sound	States of matter	Animals, including humans	Electricity	Living things and their habitats	Living thing and their habitats – conservation
Y 5	Earth and Space	Animals, Including humans	Living things and their habitats	Forces	Properties of Materials	Changes of Materials
Y 6	Living things and their habitats	Light	Electricity	Animals, including humans	Evolution and inheritance	Looking after our environment
